Latvian imported fiber optic fast connectors single core wholesale

Overview

Best Fiber Optic Modules in Latvia | Buy Bulk Fiber Optic Modules Best B2B Platform to buy Bulk Fiber Optic Modules in Latvia trusted wholesalers. Customiz.

Key Takeaways

High-quality single-core fiber optic fast connectors are available for wholesale, offering quick installation, low insertion loss, and global shipping, including to Latvia.

Product Overview

Fiber optic fast connectors are factory pre-polished, field-installable connectors designed for single-mode (9/125 µm) fibers, compatible with 250 µm and 900 µm fibers, as well as 0. 9 mm, 2 mm, and 3 mm cordage. They are ideal for FTTH, LAN, telecom nodes, and data center applications, providing rapid, tool-less termination with typical insertion loss ≤ 0.

3 dB and return loss ≥ 50 dB for APC connectors. Common connector types include SC, LC, ST, MPO, and specialized miniaturized models for high-density setups. Key FeaturesPre-polished and factory-ready: Eliminates hand polishing in the field, reducing installation time.

High precision alignment: Uses zirconia ceramic ferrules with concentricity within 0. 5 µm and CNC-machined V-grooves for stable fiber alignment. Durable and flame-retardant housing: UL94 V-0 rated for indoor use.

Rapid installation: Termination can be completed in approximately 30 seconds, suitable for space-constrained environments. Traceability: Each connector comes with end-face inspection records and serial codes for quality assurance. Wholesale and Bulk OptionsMOQ and packaging: Standard minimum order quantities start at 500 pieces, with bulk packaging in 10, 50, or 100-piece blister trays.

OEM/ODM services: Custom connector types, fiber types, housing, and packaging are available, with standard shipping in 7 days and custom orders in 15–30 days. Global shipping: Suppliers like Fiber4u and Global Sources provide worldwide delivery, including Latvia, ensuring timely supply for large projects. Recommended SuppliersCFOFC – Offers LC, SC, MPO fast connectors with OEM/ODM options, factory pre-polished, low insertion loss, and bulk shipping.

Fiber4u – Provides durable fast connectors with global shipping, suitable for telecom, data transmission, and wide area networks. Global Sources – Online wholesale catalog with over 300 fiber-optic connectors, factory-direct pricing, and fast shipping. These suppliers provide reliable single-core fiber optic fast connectors suitable for Latvian import and wholesale distribution, ensuring high performance and rapid deployment for enterprise or telecom projects.
