Affordable Molded Cable Trays in the UAE

Overview

Explore West Port''s cable tray products and accessories in the UAE: cable trays, trunking, GI channels, wire mesh trays, etc.

Key Takeaways

For affordable and reliable molded cable trays in the UAE, top suppliers include Metar, Hutaib Electricals, and Al Bustan Groups, offering a range of steel, galvanized, and powder-coated options suitable for commercial and industrial projects. Recommended Suppliers1. Metar (Dubai) Metar manufactures and supplies durable cable trays, including ladder, perforated, and solid types, with finishes such as pre-galvanized, hot-dip galvanized (HDG), and powder-coated steel.

They offer custom widths, side rail heights, and thicknesses to meet project-specific load requirements, making them suitable for indoor, outdoor, and coastal environments in the UAE. Accessories like bends, tees, reducers, and covers are also available for efficient installation. 2.

Hutaib Electricals (Dubai) Hutaib provides a wide variety of cable trays, including wire mesh, channel, box-type, and ladder trays, with finishes like GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS 202/304/316). They specialize in custom sizes, bends, and powder-coated finishes, ideal for both heavy-duty industrial applications and lightweight installations such as rooftop solar projects. Their products are designed for corrosion resistance in high-humidity and coastal areas.

3. Al Bustan Groups (Dubai & UAE-wide) Al Bustan offers ladder, perforated, solid bottom, wire mesh, and channel cable trays in galvanized steel, stainless steel, and aluminum. They cater to industrial plants, commercial buildings, data centers, and infrastructure projects.

Their trays are suitable for long-span installations and high-load applications, with options for wall-mounted supports and complete accessory kits. 4.

Other Notable Suppliers

Bonn Metals Construction Industries LL

C – Industrial steel and stainless steel trays, including heavy-duty options.

Al Ruwais Metal and Steel Factory LL

C – Offers a wide range of steel and PVC cable trays.

Abdulla Najim Electrical Appliances Co S

P LL

C – Galvanized and stainless steel trays for commercial and industrial use. Arabian Vision Elect & Sanitary Ware Tr LLC – Provides steel and PVC cable trays with full accessory support.

Tips for Choosing Affordable Molded Cable Trays

Material Selection: For coastal or outdoor UAE environments, choose HDG or stainless steel 316 for corrosion resistance.

Indoor ME

P rooms can use pre-galvanized trays. Tray Type: Ladder trays are best for heavy loads and long spans, perforated trays for medium loads, and wire mesh trays for IT or ELV systems. Customization: Opt for suppliers offering custom widths, thicknesses, bends, and powder-coated finishes to reduce waste and installation costs.

Bulk Orders: Purchasing in bulk from local manufacturers like Metar or Hutaib can reduce costs and ensure faster delivery. By selecting suppliers with local production, corrosion-resistant finishes, and customizable options, you can secure affordable molded cable trays that meet UAE project requirements efficiently.
