Outdoor distribution box with 40 circuits

Overview

Outdoor All-In-One Meter Load Center Combination with 200A Main Circuit Breaker Factory Installed, 40 Spaces, NEMA 3R Rated. Solar-Ready, Over/Under Construction, Semi-Flush Mount. Includes Enclosure and Ring-Type Door SOLAR READY –. Designed for underground or outdoor distribution systems, the Cable Distribution Box offers a tamper-resistant and weatherproof solution for medium voltage control and protection. It includes fault interrupters. Get free shipping on qualified 40 Spaces, Outdoor Breaker Boxes products or Buy Online Pick Up in Store today in the Electrical Department. These specialized enclosures combine weatherproof protection with circuit protection devices, creating a complete power distribution solution designed to withstand environmental challenges while maintaining reliable electrical service. The outer shell of the distribution box is made of flame-retardant materials to protect the core. Breaker boxes are central components of electrical systems and help distribute power and manage circuits within a building. They house circuit breakers that control electricity flow to different areas of a home or workspace.
