Mauritius Photovoltaic Cable Tray Manufacturer Supply

Overview

Cable Tray Manufacturers & Suppliers in Mauritius | TrademoFind and discover Cable Tray manufacturers and suppliers for all products in Mauritius, featurin.

Key Takeaways

Velvindron Products Co Ltd and MRC Wire Products are key manufacturers of cable trays in Mauritius suitable for photovoltaic installations.

Key Manufacturers and Suppliers

Velvindron Products Co Ltd – Based in Pailles, Mauritius, Velvindron specializes in perforated cable trays, wire mesh cable trays, cable tray covers, ducting, and trunking. Their products are suitable for solar PV installations, providing robust cable management solutions for electrical and renewable energy projects. The company has been established since 1958 and offers a range of cable management systems that can be adapted for PV applications.

MR

C Wire Products Ltd – Incorporated in 1975, MRC Wire Products is part of the Desbro Group of Companies and manufactures various cable trays. They provide solutions for industrial and commercial electrical installations, which can be applied to solar PV systems. Suntricity Limited – While primarily a distributor of solar photovoltaic equipment, Suntricity supplies PV-related components and may offer cable trays compatible with solar installations.

They provide technical support and lifecycle services for solar projects across Mauritius and the Indian Ocean islands. Cablofil Wiremesh Cable Trays (Legrand Mauritius) – Legrand offers steel wire cable trays and accessories with flexible configurations, quick installation systems, and high safety standards. Their products are suitable for PV installations requiring efficient cable management and easy maintenance.

How to Source

Trademo Database – Trademo lists multiple cable tray manufacturers and suppliers in Mauritius, providing shipment details, trade volumes, and contact information. This platform can help identify additional local suppliers and compare product offerings.

Summary

For photovoltaic projects in Mauritius, Velvindron Products Co Ltd and MRC Wire Products Ltd are the primary local manufacturers of cable trays. For specialized wire mesh solutions, Legrand's Cablofil range is available, and Suntricity Limited can provide PV-specific support and distribution. Using these suppliers ensures compliance with local standards and access to technical support for solar installations.
