Key Takeaways

Cable tray accessories in Serbia are available from multiple suppliers, but prices vary depending on type, material, and quantity, and are typically obtained by contacting suppliers directly.

Suppliers and Catalogs

Several companies in Serbia supply cable trays and accessories: Pekom offers a wide range of cable trays and accessories, including bends, tees, reducers, and covers. Their catalog is available online, and pricing is provided upon request through their contact channels (https://).

OB

O Bettermann Serbia provides industrial cable support systems, including trays and related accessories. They offer detailed product specifications, but prices are generally provided through direct inquiry (https://). Brilltech Engineers and Jeetmull Jaichandlall are also notable suppliers and exporters in Serbia, serving both local and international markets.

They recommend contacting them via phone or email for quotations.

Factors Affecting Price

The cost of cable tray accessories in Serbia depends on: Material: Steel (galvanized or stainless), aluminum, or PVC. Stainless steel and aluminum are generally more expensive. Type of accessory: Bends, tees, reducers, covers, and supports have different manufacturing costs.

Size and load rating: Larger trays or heavy-duty supports cost more. Quantity and bulk orders: Suppliers often provide discounts for larger orders. Delivery and installation: Shipping and local taxes can affect the final price.

How to Obtain Pricing

Since most Serbian suppliers do not list prices online, the recommended approach is: Identify the required accessories and specifications (material, size, load rating). Contact suppliers directly via email or phone to request a quotation. Include quantities and delivery location.

Compare multiple suppliers to ensure competitive pricing and availability. Check for bulk discounts or ongoing promotions, especially for large projects. By following this approach, you can obtain accurate and up-to-date pricing for cable tray accessories in Serbia tailored to your project requirements.
