UAE Cable Tray Customization Price List

Overview

Cable Tray Price in UAE | Cable Tray Cost Guide Dubai | MetarCable tray pricing in UAE depends on several factors including material type, tray dimensions.

Key Takeaways

Customized cable tray prices in the UAE vary depending on material, type, size, and project requirements, with suppliers offering tailored quotes for bulk or bespoke orders.

Overview of Suppliers and Customization

Several leading suppliers in the UAE provide custom cable tray solutions: Hutaib Electricals: Offers custom fabrication with delivery across the UAE. Typical lead time is 5–10 working days, depending on volume and finish. They provide on-site measurements, shop drawings, and bulk/contractor pricing for industrial and commercial projects.

Bonn

Gulf: Supplies a wide range of cable trays including ladder, perforated, solid bottom, and trough types. They specialize in custom solutions for different sectors, ensuring durability and compliance with project specifications. Metar: Manufactures steel cable trays in pre-galvanized, hot-dip galvanized, and other finishes.

They cater to heavy-duty applications, data centers, and industrial installations, offering customized designs for load-bearing and ventilation requirements. West Port Cable Tray: Provides bespoke designs and tailored support systems, including cable ladders, unistrut channels, and wire mesh trays. They focus on modular, adaptable solutions for commercial and industrial projects.

Factors Affecting Pricing

Customized cable tray prices in the UAE depend on several factors: Material: Steel, pre-galvanized, hot-dip galvanized, or stainless steel options affect cost. Hot-dip galvanized trays are generally more expensive due to corrosion resistance. Type and Design: Ladder trays, perforated trays, solid bottom trays, and trough trays have different manufacturing complexities and load capacities.

Dimensions and Load Capacity: Larger trays or those designed for heavy-duty applications cost more. Volume and Bulk Orders: Suppliers often provide discounts for bulk or contractor orders. Customization Services: On-site measurements, shop drawings, and bespoke fabrication add to the overall cost.

Price Range Guidance

While exact prices require a custom quote, typical ranges for steel cable trays in the UAE are: Light-duty perforated trays: Approx.

AE

D 50–120 per meterMedium-duty ladder trays: Approx.

AE

D 120–250 per meterHeavy-duty or fully customized trays: Prices can exceed AED 300 per meter depending on specifications, finish, and additional services For precise pricing, it is recommended to contact suppliers directly to provide your project specifications, desired material, tray type, and quantity. Suppliers like Hutaib Electricals, BonnGulf, Metar, and West Port Cable Tray can provide tailored quotations and delivery timelines.

Additional Considerations

Ensure the supplier complies with UAE standards and project specifications. Ask about lead times, especially for custom fabrication, which can range from 5–10 working days. Consider installation support or guidance for large-scale projects.

By consulting multiple suppliers and providing detailed project requirements, you can obtain competitive pricing and ensure the cable trays meet your technical and durability needs.
