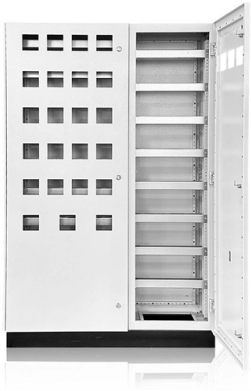
Which company makes the best rainproof cable trays in Afghanistan



Overview

Brilltech Engineers Pvt. Ltd is one of the trusted Cable Tray Manufacturers in Afghanistan and brings you the products as per the need of your residential, commercial or industrial sectors.

Key Takeaways

Brilltech Engineers Pvt. Ltd and Rayan Manufacturing Co are among the top providers of rainproof and corrosion-resistant cable trays in Afghanistan. Brilltech Engineers Pvt.

Ltd

Brilltech Engineers offers a wide range of galvanized, stainless steel, and ladder cable trays designed to withstand harsh weather conditions, including rain and humidity. Their products are manufactured using high-quality materials and advanced machinery, ensuring durability and compliance with international standards. Brilltech provides customization options for size, material, and design, making their cable trays suitable for industrial, commercial, and residential applications.

Their galvanized trays are particularly noted for corrosion resistance and structural strength, ideal for outdoor installations.

Rayan Manufacturing Co

Rayan Manufacturing Co, established in 2005, produces various types of cable trays and ladders in accordance with UL and IEC standards. They have modern equipment, including CNC machines, and offer electrostatic painting, which enhances the rainproof and corrosion-resistant properties of their products. Rayan is recognized for technical expertise and project delivery, making them a reliable choice for industrial and infrastructure projects in Afghanistan.

Cable House

Cable House is another reputable manufacturer offering customized cable trays with high durability and reliable performance. Their products are designed to meet sustainable performance standards and can be tailored for outdoor and rain-exposed environments.

Recommendation

For rainproof cable trays in Afghanistan, Brilltech Engineers Pvt. Ltd is highly recommended for its galvanized and stainless steel options, strong structural integrity, and customization capabilities. Rayan Manufacturing Co is also a strong choice, especially for projects requiring UL/IEC-compliant trays with electrostatic painting for enhanced weather resistance.

Both companies provide after-sales support and project consultation, ensuring reliable installation and long-term performance.
