Key Takeaways

Trayco, Vergokan, and Niedax Belgium are leading Belgian brands specializing in cable trays and cable support systems.

Trayco

Trayco is a 100% Belgian company founded in 2012, specializing in cable trays, mesh trays, cable ladders, and floor systems. They provide tailored solutions and advisory services for installation projects, emphasizing optimization and high-quality cable management systems. Trayco also offers innovative plug & play floor systems like “THE.

BOX” for both screed and raised floors, combining practical installation with safety and efficiency.

Vergokan

Based in Oudenarde, Belgium, Vergokan is a well-established brand in metal cable support systems. Their product range includes cable trays, mounting systems, cable ladders, and floor trunking systems. Vergokan products are known for rigidity, strength, and ease of installation, with features like pre-punched holes for secure cable attachment, reducing labor and installation time.

Their solutions are widely used in industrial, office, retail, and commercial buildings across Europe, the Middle East, and Africa.

Niedax Belgium

Niedax Belgium, founded in 2005 as a subsidiary of the German Niedax Group, offers a wide range of cable support systems. With over 100 years of experience in electrical installation materials, Niedax provides more than 50,000 articles globally. They support both national and international projects with advisory services and high-quality cable management solutions.

Summary

These three brands—Trayco, Vergokan, and Niedax Belgium—represent the main Belgian manufacturers of cable trays and related support systems. They offer a combination of high-quality products, installation support, and innovative solutions suitable for various industrial and commercial applications.
