Botou Vertical Distribution Box Manufacturer

Overview

For almost 25 years, we have been active in the automation industry, supporting our customers with their installations across the EU and delivering the control cabinets, switch boxes, and panels...

Key Takeaways

Botou Haozhuo Automation Equipment Co., Ltd. is a key manufacturer of vertical distribution boxes in Botou, China.

Key Manufacturers in Botou

Botou Haozhuo Automation Equipment Co., Ltd. specializes in the production of distribution boxes, including vertical configurations suitable for industrial and commercial applications. They offer a range of products designed for electrical power distribution and automation systems, catering to both domestic and international markets (Tradewheel). Other notable suppliers in China include SKYT®, which provides IP65-rated outdoor enclosures and waterproof stainless steel cabinets.

They offer non-standard customization and OEM production, making them suitable for specialized vertical distribution box requirements (HBSKYT). Additionally, Yuanky and other Chinese factories supply a variety of distribution boxes with competitive pricing and flexible production options (Yuanky).
