Bulgarian factory explosion-proof distribution box model

Overview

bulgarian-explosion-proof-distribution-box-custom-manufacturer. We produce custom-made rigid boxes for a wide range of premium products — including jewel.

Key Takeaways

ATRA Ltd and Borels are leading Bulgarian manufacturers of explosion-proof distribution boxes, offering certified, high-quality solutions for industrial and hazardous environments. Key Manufacturers1.

ATRA Ltd ATR

A is a prominent Bulgarian manufacturer specializing in electrical installation products, including explosion-proof distribution boxes. Their products are designed for industrial, construction, and everyday applications, ensuring safety and compliance with international standards.

ATR

A provides a wide range of explosion-proof solutions suitable for flammable and hazardous environments. 2. Borels Borels produces high-quality electrical distribution boards and boxes, including explosion-proof and outdoor cabinets.

Their enclosures are made from durable materials such as cast aluminium alloy or reinforced polyester with fiberglass, offering IP65 protection, flame and impact resistance, and suitability for extreme temperatures (-25°C to +200°C). Borels' products are used in mining, petrochemical, construction, and shipbuilding industries. They offer customizable sizes, colors (RAL 7000, 7032, 9005), and mounting options to meet specific client requirements.

3. Amasly Lighting Although primarily a manufacturer of LED explosion-proof lighting, Amasly also produces explosion-proof distribution boxes with ATEX certification. Their units are designed to prevent ignition in hazardous environments using flameproof, increased safety, intrinsically safe, or positive pressure technologies.

The enclosures are typically made of cast aluminium alloy and include features such as busbar boxes, cable outlets, and high-breaking-capacity circuit breakers.

Product Features and Applications

Materials: Cast aluminium alloy, reinforced polyester with fiberglassProtection: IP65, flame and impact resistantCertifications: ATEX and other explosion-proof standardsApplications: Petrochemical plants, mining, construction, shipbuilding, outdoor installationsCustomization: Sizes, colors, mounting plates, and internal configurations These manufacturers provide reliable solutions for environments where sparks, arcs, or high temperatures could trigger explosions, ensuring safety and compliance with industrial regulations. For direct contact and supplier listings, Europages provides a B2B marketplace with 37 Bulgarian suppliers of explosion-proof distribution boxes.
