Current Price of Cable Trays in Saudi Arabia

Overview

Cable trays are a type of cable management system used to support and organize electrical cables and wires in commercial, industrial, and residential settings.

Key Takeaways

Cable trays in Saudi Arabia typically range from 150 to 350 SAR for surface-mounted types, with industrial or specialized trays priced higher depending on size and material. Overview of PricingSurface-Mounted Cable Trays: Available on Amazon.sa, these trays are priced between 150 SAR and 350 SAR per unit, depending on dimensions and stock availability. Industrial and Commercial Cable Trays: Suppliers like Powertech International offer cable trays designed for industrial plants, commercial buildings, data centers, and utility projects.

Prices for these trays vary based on material (steel, aluminum), size, and load capacity, but they are generally higher than standard surface-mounted trays. UL-Certified and Specialized Trays: Some suppliers provide UL-certified trays for enhanced safety and compliance, which may increase the cost slightly due to certification and durability standards.

Factors Affecting Price

Material: Steel trays are typically more expensive than aluminum or plastic alternatives. Size and Load Capacity: Larger trays or those designed to carry heavier cable loads cost more. Design Features: Trays with perforations for ventilation, modular designs, or easy installation features may have higher prices.

Supplier and Brand: Local Saudi suppliers and international brands may have different pricing structures.

Buying Tips

Check stock availability as some products may have limited quantities. Compare local suppliers like Powertech International and online marketplaces like Amazon.sa for competitive pricing. Consider long-term projects: investing in certified or industrial-grade trays can reduce maintenance and improve safety.

In summary, for general surface-mounted cable trays in Saudi Arabia, expect 150–350 SAR, while industrial or specialized trays may cost more depending on specifications and certifications.
