Customized High Voltage Distribution Box Manufacturer in the UAE

Overview

Explore top Power Distribution Box manufacturers in the United Arab Emirates, specializing in customized solutions for various industries. Experience excellence in design and functionality.

Key Takeaways

The UAE hosts several reputable manufacturers and suppliers of high voltage distribution boxes, including Kesher Automation, Al Safeenah, Max.

M-

Tech International, ADC, EMC, Ranya Contracting Establishment, Technical Solutions to Industry FZE, Powerserv Trading LLC, EPS, and Eurogulf Transformer FZE.

Key Manufacturers and Suppliers

Kesher Automation is a leading UAE manufacturer of industrial distribution boxes, offering CPRI-approved, customizable, and energy-efficient solutions for industrial, commercial, and infrastructure applications. Their products provide overload, short circuit, and fault protection, with robust enclosures suitable for harsh operational environments. Al Safeenah produces distribution boxes constructed from carbon steel, stainless steel, or thermoplastic, with IP65/IP66 ratings for weatherproofing.

Their modular designs support DIN-rail mounting for MCBs, RCDs, and surge protectors, making them suitable for construction sites, industrial plants, telecommunications, commercial buildings, and renewable energy projects. Max.

M-

Tech International specializes in oil-immersed and dry-type distribution transformers, as well as medium and low voltage switchgear, serving industrial and utility sectors.

AD

C has installed over 700 MW of power management equipment, including standalone substations, battery storage, and UPS systems, supporting reliable power supply and solar energy projects.

EM

C designs and implements distribution substations up to 33kV, providing HV cable installation, testing, and maintenance services across the UAE. Ranya Contracting Establishment (RCE) focuses on high voltage projects, including 132/22kV and 400kV overhead and underground lines, collaborating with major UAE clients.

Technical Solutions to Industry FZ

E (TSI) supplies compact and mobile substations, medium and low voltage switchgear, and transformers, with site service support for installation and maintenance in the MENA region.

Powerserv Trading LL

C offers a wide range of medium and high voltage substation equipment, supporting construction, renewable energy, and infrastructure projects.

EP

S (Electric Power Synergies LLC) specializes in installation, testing, and commissioning of 33kV power cables, including projects for Dubai Electricity & Water Authority (DEWA),.

Eurogulf Transformer FZ

E designs and manufactures oil-immersed distribution transformers, essential for reliable electrical distribution.

Additional Resources

For a broader list of suppliers and detailed product specifications, platforms like Yellow Pages UAE provide contact information for leading power distribution box manufacturers in Dubai and across the UAE. These manufacturers collectively cover a wide range of high voltage distribution solutions, including industrial distribution boxes, substations, transformers, and switchgear, ensuring compliance with international safety standards and suitability for diverse industrial and infrastructure applications.

Distribution Box | Machined & Fabricated in UAE

Constructed from high-impact Carbon Steel, Stainless Steel, or Thermoplastic, our distribution boxes are built to withstand mechanical stress and environmental

Trusted Industrial Distribution Box Manufacturer in UAE | Advanced ...

Kesher Automation – your reliable Industrial Distribution Box manufacturer in the UAE, providing custom-built, energy-efficient, and CPRI approved power control solutions for a variety of industrial

Top Electrical Distribution Manufacturers in United Arab Emirates

Powerserv Trading LLC is a prominent electrical distributor in the MENA region, offering a comprehensive range of high-quality electrical products, particularly for medium and high voltage

High Voltage Electrical Cabinet | Custom High Voltage

Explore Gaobo''s custom high voltage cabinets,including switchgear,electrical boxes,and switch panels.Reliable,quality-assured solutions for industrial power

UAE Power Distribution Box Manufacturers: Quality & Innovation

Explore top Power Distribution Box manufacturers in the United Arab Emirates, specializing in customized solutions for various industries. Experience excellence in design and functionality.

EHVEMC – Extra High Voltage Electromechanical Contracting LLC

EHVEMC is an accredited, approved contractor spanning the full voltage spectrum — from LV to Extra High Voltage — across the UAE and the wider region, including onshore and offshore Oil & Gas

High-quality MDB Panels UAE | Powerway Electro Mechanical

Powerway offers high-quality Main Distribution Boards (MDB) in the UAE, ensuring reliable power distribution with advanced protection, efficiency, and custom solutions.

VOLTAGE Elect. Switchgear Industries Co. Ltd.

Low voltage power distribution solution. Assembly & supply of MDB, SMDB, DB, Capacitor Bank, ATS, Motor Control Centre and other control panels. After Sales Support. VOLTAGE was established in

Electrical Distribution Panel | Distribution Panel Service in Dubai

© 2026 CGWEB NETWORK INFRASTRUCTURE - All rights reserved

Get the best electrical distribution panel service in Dubai,offers wide range of electrical distribution panels, from single-phase to three-phase, designed to meet your specific needs.
