Detailed Price List for Assembled Cable Trays

Overview

Find the latest cable tray price list for 2025. Compare B2B and B2C pricing, materials, and supplier options. Click to explore cost-effective solutions for industrial and commercial projects.

Key Takeaways

Cable tray prices vary by material, size, and type, ranging from approximately $0. 80 to $76 per meter, with coupler plates priced separately from ₹16 to ₹67 per piece depending on tray height and specifications. Price Overview by Material and TypeSteel Cable Trays: Commonly used for general-purpose installations, priced between $5 to $25 per meter depending on size and design (ladder, perforated, or solid bottom) and installation complexity.

Aluminum Cable Trays: Lightweight and corrosion-resistant, ideal for outdoor or industrial environments, typically $6 to $30 per meter.

FR

P (Fiber Reinforced Plastic) Trays: Used in chemical or high-moisture environments, prices range from $10 to $50 per meter depending on specifications.

Basket Trays: Lightweight and affordable, suitable for data centers and office cabling, prices vary based on material and size, often the most cost-effective option. Coupler Plates and Accessories25/30 mm Height Trays: Coupler plates with hardware cost ₹16 to ₹44 per piece depending on manufacturer and tray width. 50 mm Height Trays: Coupler plates typically ₹16 to ₹44 per piece.

75/100 mm Height Trays: Coupler plates range from ₹30 to ₹67 per piece. Standard tray lengths are usually 2. 5 meters (approx.

8 feet), with minimum order quantities often set at 50 meters.

Installation and Additional Costs

Installation costs vary based on tray material, size, and complexity. Steel trays are generally less expensive to install than aluminum or FRP trays due to weight and handling considerations. Additional components such as supports, brackets, and connectors can impact the total cost.

For large-scale projects, B2B bulk pricing can significantly reduce per-unit costs, with prices ranging from $0. 80 to over $76 per meter depending on volume and specifications. Market ConsiderationsB2C Pricing: Smaller-scale purchases, such as for home offices, range from $15 to $34 per tray, with lower wholesale prices available for bulk orders.

B2

B Pricing: Industrial and commercial applications benefit from bulk purchasing, offering higher durability and professional-grade materials at lower per-unit costs. Material choice, durability, ease of installation, and compliance with safety standards are key factors influencing pricing, especially for industrial applications. This detailed pricing guide provides a comprehensive reference for budgeting and procurement of assembled cable trays, including material-specific rates, coupler plate costs, and installation considerations.
