Key Takeaways

Malta has several reputable manufacturers and suppliers of electric distribution boxes, including FBP Malta, Hydrolectric, Darmanin Supplies, and iAutomate Ltd. Key Manufacturers and SuppliersFBP Malta offers a range of distribution boxes suitable for various electrical installations, providing durable and reliable solutions for residential and commercial projects. Hydrolectric Ltd specializes in consumer units, distribution boards, and panels, catering to both domestic and industrial applications with a focus on quality and compliance with safety standards.

Darmanin Supplies (formerly Power Electric) is a family-owned business established in 1994, offering a comprehensive range of distribution boards, protective devices, BS sockets, and switches. They feature high-quality brands like POLOMAX for electrical solutions, ensuring durability and performance. iAutomate Ltd manufactures the Series “ST” wall-mount boxes, made from press-bent steel with IP66 protection. These boxes are powder-coated and include a galvanised steel inner mounting plate, suitable for industrial and outdoor applications.

Considerations When Choosing a SupplierProtection Rating: Ensure the distribution box meets the required IP rating (e.g., IP66 for outdoor use). Material and Durability: Options include powder-coated steel or stainless steel for corrosion resistance. Compliance: Verify that the products comply with local electrical safety standards.
