Fiberglass cable trays in the UAE

Overview

We''re government-approved cable tray manufacturers in UAE, meeting the highest standards and regulations for quality and safety in the cable management industry.

Key Takeaways

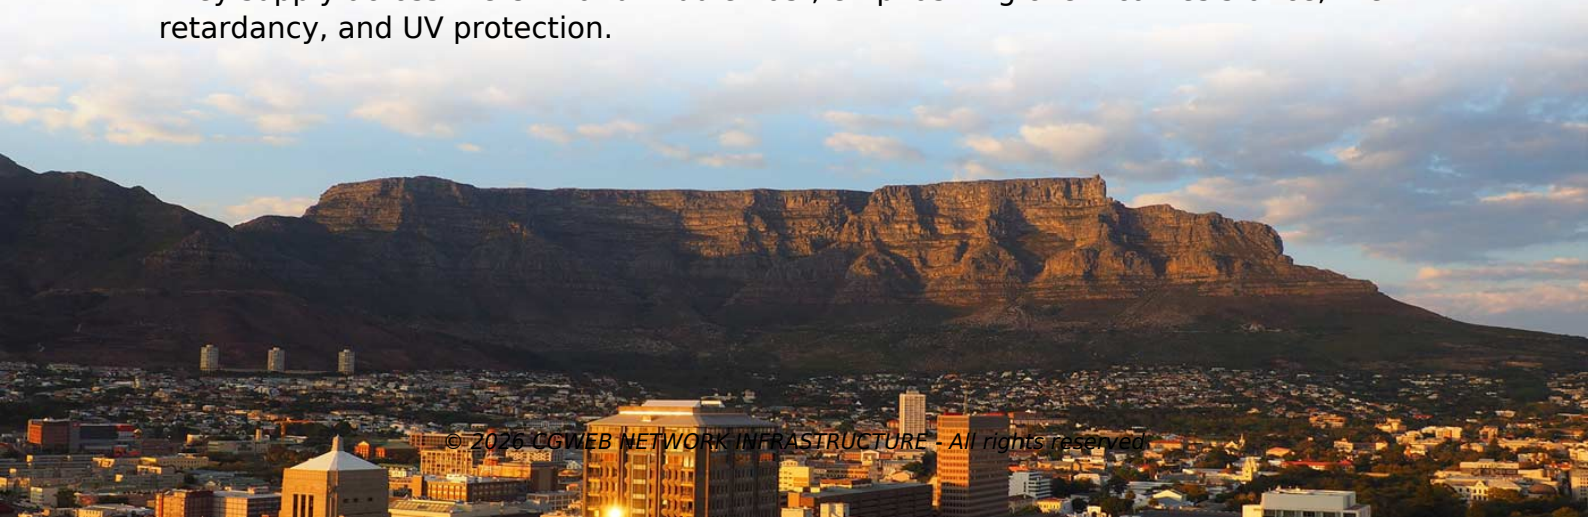

Fiberglass (FRP/GRP) cable trays are directly available from multiple UAE manufacturers and suppliers, offering durable, corrosion-resistant solutions for industrial and infrastructure projects.

Leading Suppliers and Manufacturers

Bonn Gulf – Based in Dubai, Bonn Gulf manufactures and supplies GRP and FRP cable trays and ladders suitable for harsh environments such as petrochemical plants, marine facilities, and power stations. They offer custom sizes, accessories, and direct supply from their Dubai warehouse, with products designed for corrosion resistance, UV stability, and long service life (30–40 years) without maintenance.

Emerald Steel Industries LL

C – Located in the UAE, Emerald Steel produces GRP/FRP cable trays using pultrusion processes for consistent quality. Their range includes ventilated, solid bottom trays, covers, bends, and fittings, suitable for electrical and instrumentation installations. They supply across the UAE and Middle East, emphasizing chemical resistance, fire retardancy, and UV protection.
