ONESTO

P Electric Manufacturer – Specializes in fully customizable solutions, allowing clients to select size, material, and features to meet specific project requirements. Projoy – A Chinese company focused on DC isolation switches, MCBs, surge protectors, and smart electricity meters. Projoy offers world-class quality and customer service for custom distribution boxes.

Interact Power Inc. – Based in the U. S., Interact Power designs and manufactures custom-fit AC and DC power distribution equipment, emphasizing reliability, cost-effectiveness, and rapid production cycles. Custom Manufacturing and Engineering Inc. (CME) – Located in Florida, CME provides engineering design and manufacturing services for custom distribution boxes, ensuring compliance with agency requirements and high-quality fabrication.

Key Considerations

When selecting a manufacturer, consider: Certifications: UL, CE, IEC, ISO, and TUV ensure safety and compliance. Customization Options: Modular designs, smart monitoring, and material choices allow tailored solutions. Safety Features: Surge protection, ground fault interrupters, and overcurrent protection are essential for protecting equipment and personnel.

Support and Service: Manufacturers with strong customer support and rapid production capabilities help meet project deadlines and technical requirements. These manufacturers are recognized for combining innovation, safety, and reliability, making them suitable choices for projects requiring custom distribution boxes.
