Indian Cable Tray Platform Manufacturer

Overview

Cable Trays Manufacturer & Supplier in India As an ISO-certified cable tray manufacturing company with advanced manufacturing facilities, we are committed.

Key Takeaways

Top Indian cable tray manufacturers include Hutaib Electricals, Ajay Industrial, Electrotech Industries, and Bajia Industrial Corporation, offering a wide range of high-quality cable management solutions.

Leading Manufacturers

Hutaib Electricals is a prominent manufacturer of cable trays, ladders, and accessories in India. Established in 2001, the company focuses on high-quality materials, durability, and compliance with international standards. They offer customized solutions and emphasize innovation in cable management systems.

Ajay Industrial Corporation Limited (AICL) provides ISO-certified cable trays suitable for industrial, commercial, and infrastructure projects. Their offerings include perforated, ventilated, and ladder-type trays made from HR sheet, GP sheet, Galvalume, stainless steel, and aluminum. They cater to low-voltage and communication cables, ensuring corrosion resistance and long-term performance.

Electrotech Industries specializes in ladder cable trays, offering products made from stainless steel and aluminum. Their trays are designed for heavy-duty applications in data centers, commercial buildings, solar energy, telecommunications, and industrial facilities. They provide hot-dip galvanization and powder coating for extended durability.
