Kuwait Fireproof Cable Tray Manufacturer

Overview

Cable Tray System – Kuwaiti Al Nafe Group for General Trading. Alnafaa Group is a pioneer Kuwait based GRP FRP tray manufacturer in the industry. Besides.

Key Takeaways

Leading manufacturers of fire-resistant cable trays in Kuwait include Alnafaa Group, Bahman Group, and Almeer Industries, offering FRP, GRP, and metal cable tray systems with full fittings and certifications.

Alnafaa Group

Alnafaa Group specializes in FRP (Fiber Reinforced Plastic) and GRP (Glass Reinforced Plastic) cable trays, designed for fire resistance and durability. Their trays are made from glass-armored thermoset fire-resistant resins and supported with steel or aluminum to prevent corrosion and reduce weight issues. They offer a wide range of sizes, bends, tees, reducers, and covers, along with accessories like ladders, handrails, and walkways.

Their products comply with IS 6746, NEMA FG-1, and UL 94 flame retardant standards, making them suitable for industrial and chemical environments.

Bahman Group

© 2026 CGWEB NETWORK INFRASTRUCTURE - All rights reserved

Bahman Group operates one of the largest cable tray manufacturing facilities in Kuwait, producing GI (galvanized iron) cable trays, ladders, and trunking systems. Their products are widely used in government projects, hospitals, and universities. The company emphasizes high-quality, cost-effective solutions for both local and GCC markets, with a focus on infrastructure and large-scale projects.

Almeer Industries

Almeer Industries manufactures a variety of cable trays, including ladder, perforated, and solid-bottom types, along with support systems and accessories. Their trays are made from hot-rolled, cold-rolled, pre-galvanized, stainless steel, or powder-coated steel, and comply with NEMA VE-1 standards. Almeer also provides UL-certified products, ensuring fire safety and electrical compliance.

They cater to industrial, commercial, and oil & gas sectors, offering custom finishes and fittings for heavy-duty applications.

Summary

For projects requiring fire-resistant cable management systems in Kuwait, these manufacturers provide comprehensive solutions: Alnafaa Group: FRP/GRP trays with chemical and fire resistance, suitable for industrial and chemical environments. Bahman Group: GI cable trays and ladders for large-scale infrastructure and government projects. Almeer Industries: Steel-based ladder, perforated, and solid-bottom trays with UL certification for industrial and commercial applications.

These companies offer custom sizes, fittings, and support systems, ensuring compliance with international fire and electrical safety standards, making them reliable choices for both local and regional projects.
