Nepalese Mesh Cable Tray Companies

Overview

Cable Tray Manufacturer In Nepal | Cable Tray | Manufacturer Established in the year 2001, Hutaib Electricals is amongst the most successful names engaged.

Key Takeaways

Top wire mesh cable tray manufacturers in Nepal include Hutaib Electricals and Jeetmull Jaichandlall (P) Ltd., offering high-quality, durable, and customizable solutions.

Leading Manufacturers

Hutaib Electricals Established in 2001, Hutaib Electricals is a prominent manufacturer and supplier of cable trays in Nepal, including wire mesh cable trays. They produce a wide range of cable management solutions such as perforated trays, ladder trays, basket trays, and accessories like bends, elbows, tees, and reducers. Their products are available in finishes like GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS-202/304/316), ensuring durability and compliance with industry standards.

Hutaib emphasizes quality control, timely delivery, and advanced manufacturing infrastructure. Jeetmull Jaichandlall (P) Ltd. Specializing in wire mesh cable trays, Jeetmull Jaichandlall is recognized for high-quality finishing and adherence to industry standards.

Their trays are available in various sizes, shapes, and colors, suitable for industrial, commercial, and infrastructure projects. The company operates a modern manufacturing facility with advanced technology, ensuring consistent quality and customization options for clients. Vaishno Storage Solution Vaishno Storage Solution manufactures durable stainless steel and metal cable trays, including mesh types, for commercial and industrial applications.

They provide a variety of sizes and styles to meet specific project requirements and also offer storage and material handling solutions, making them a versatile supplier in Nepal. Brilltech Engineers Pvt. Ltd.

Brilltech Engineers offers perforated and wire mesh cable trays made from galvanized steel, stainless steel, and fiberglass. Their products focus on cable protection, airflow, and easy installation. They also provide design support and installation guidance, ensuring compliance with safety standards.

Kiash Electricals Although based in Kolkata, Kiash Electricals supplies metal and wire mesh cable trays to Nepal. Their trays are designed for heavy-duty applications, offering strong support, flexible layouts, and corrosion resistance, suitable for industrial plants, telecom centers, and data hubs.

Key Considerations

Material: Stainless steel, galvanized steel, and powder-coated finishes for durability and corrosion resistance. Customization: Sizes, shapes, and accessories tailored to project needs. Support: Many manufacturers provide installation guidance, design consultation, and after-sales service.

Applications: Industrial, commercial, and infrastructure projects requiring organized and safe cable management. For procurement, Hutaib Electricals and Jeetmull Jaichandlall (P) Ltd. are highly recommended for wire mesh cable trays due to their quality, customization options, and adherence to industry standards.
