Papua New Guinea cable tray processing and direct sales

Overview

Our highly educated expert closely monitors every aspect of manufacturing and keeps their fingers on the pulse to deliver the highest quality Cable Tray in Papua New Guinea.

Key Takeaways

Brilltech Engineers Pvt. Ltd. and Cable House are leading suppliers of high-quality cable trays in Papua New Guinea, offering direct sales, customization, and installation support.

Key Suppliers and Manufacturers

Brilltech Engineers Pvt. Ltd. is a prominent cable tray manufacturer and exporter in Papua New Guinea. They offer a wide range of cable trays including galvanized steel, stainless steel, fiberglass, ladder, perforated, and trough types.

Their products are designed for durability, corrosion resistance, and compliance with international safety standards. Brilltech provides customization options for size, material, and configuration, and supports clients with system design, installation guidance, and maintenance. Cable House is another recognized supplier, offering customized cable trays, hose clamps, cable ties, and industrial connectors.

They focus on high-durability and reliable performance, catering to both national and international clients. Cable House emphasizes tailor-made solutions to meet specific project requirements and provides direct sales support for bulk orders. Jeetmull Jaichandlall (P) Ltd. also supplies cable trays in various sizes, shapes, and materials.
