# Price of Double-Head Support Cable Tray

## Overview

Cable Tray Systems – CableOrganizerChoose from basket style, snake trays, and solid or ladder cable trays. Discover high-quality Cable Tray Systems at Cabl.

## Key Takeaways

The price of a Double-Head Support Cable Tray varies depending on material, size, and supplier, typically ranging from £20 to £100 per unit, with exact pricing available via supplier quotes.

## Overview

### A Double-

Head Support Cable Tray is a type of cable tray accessory designed to support horizontal runs of cable trays from overhead structures, providing stability and load distribution for heavy or multiple cable runs. These supports are commonly used in industrial, commercial, and construction projects to ensure safe and organized cable management.

## Factors Affecting Price

Material: Steel (galvanized or stainless) is common, with stainless steel generally costing more due to corrosion resistance. Size and Load Capacity: Larger trays or supports designed for heavier loads will increase the price. Finish: Powder-coated or hot-dip galvanized finishes add durability and cost.

Supplier and Brand: Prices vary between suppliers such as RS Components, CEF, Eurostrut, and CMW, with premium brands typically charging more. Estimated PricingLight-duty supports: Approximately £20–£40 per unitMedium-duty supports: Approximately £40–£70 per unitHeavy-duty or specialized double-head supports: £70–£100+ per unit These prices are indicative and may vary based on order quantity, shipping, and regional availability.

### How to Obtain Exact Pricing

Supplier Websites: Check RS Components, CEF, Eurostrut, or CMW for product listings and request quotes. Direct Quote Requests: For specialized double-head supports, contacting suppliers directly ensures accurate pricing and availability. Bulk Orders: Discounts may be available for large quantities, which is common in industrial projects.

By considering material, load requirements, and supplier options, you can select a Double-Head Support Cable Tray that fits both your technical and budgetary needs.
