Price of Zinc-Aluminum-Magnesium Cable Trays in West Asia

Overview

"Zinc Aluminum Magnesium Cable Tray" Factory direct options come straight from the manufacturer, ensuring competitive pricing and available in trendy confi.

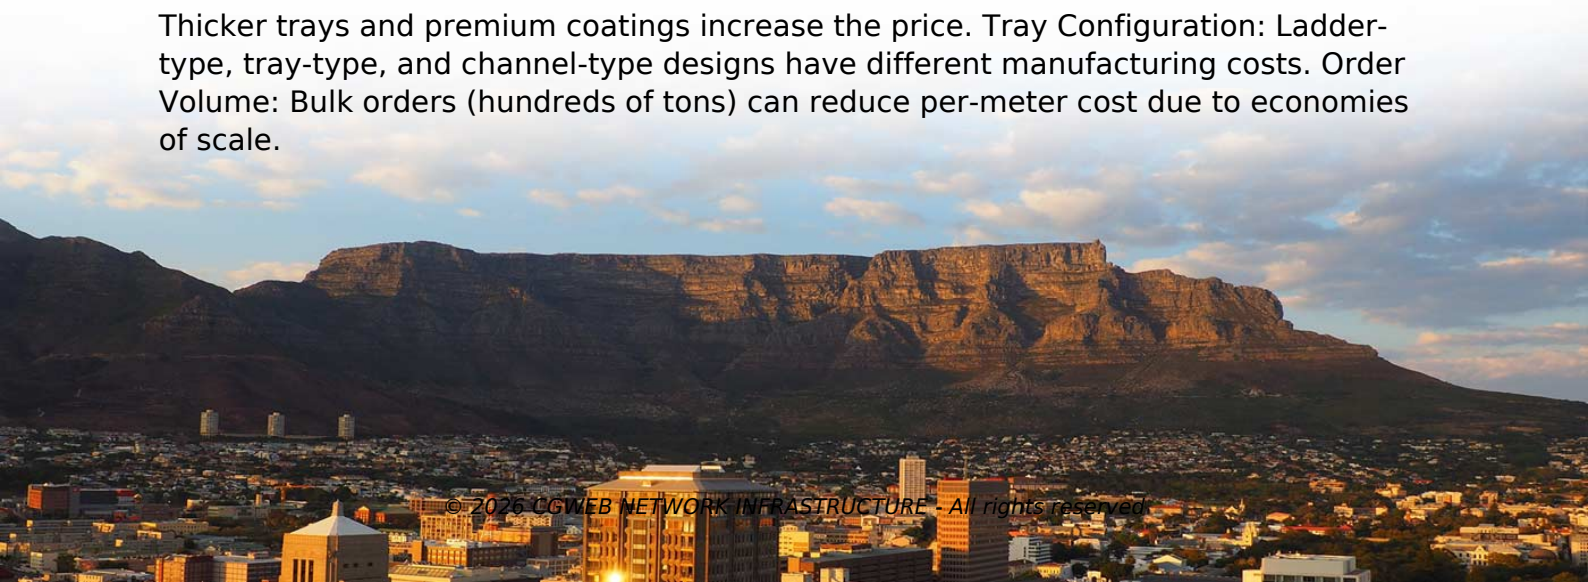

Key Takeaways

Zinc-Aluminum-Magnesium (Zn-Al-Mg) cable trays typically range from $15 to $50 per meter depending on size, thickness, and supplier, with additional costs for shipping and installation in West Asia. OverviewZn-Al-Mg cable trays are high-performance, corrosion-resistant systems made from steel coated with a zinc-aluminum-magnesium alloy, offering superior durability in outdoor, humid, or highly corrosive environments. They are widely used in industrial, commercial, infrastructure, and photovoltaic applications, making them suitable for West Asian climates where heat and humidity can accelerate corrosion.

Pricing Factors

Material Thickness and Type: Standard thickness ranges from 0. 6 mm to 2. 5 mm, with hot-dip galvanized or Zn-Al-Mg coatings affecting cost.

Thicker trays and premium coatings increase the price. Tray Configuration: Ladder-type, tray-type, and channel-type designs have different manufacturing costs. Order Volume: Bulk orders (hundreds of tons) can reduce per-meter cost due to economies of scale.

Shipping and Import Duties: Importing from China to West Asia adds freight, customs, and handling fees, which can significantly affect the final price. Installation Services: Some suppliers provide technical guidance or remote support for installation, which may be included or charged separately.

Approximate Price Range

Based on Chinese manufacturers and export experience: Standard Zn-Al-Mg cable trays: $15–$30 per meter for typical industrial sizes (0. 6–1. 5 mm thickness)Heavy-duty or hot-dip galvanized Zn-Al-Mg trays: $30–$50 per meter for thicker or reinforced trays (1.

3–2. 5 mm thickness)Accessories and fittings: Additional 10–20% of tray cost depending on complexity Suppliers and ExportJiangsu Holdee Electric Co., Ltd.: Produces Zn-Al-Mg and hot-dip galvanized trays, exports to Middle East and South Asia, with annual production over 30,000 tons. Tianjin Qianxin International: Offers worldwide shipping, installation guidance, and detailed technical support for Zn-Al-Mg trays.

Shandong Zhongjia Equipment Manufacturing: Provides standard and non-standard trays with ISO and CQC certifications.

Recommendations

Contact suppliers directly for quotes including shipping to your specific West Asian country. Specify tray type, thickness, and length to get accurate pricing. Consider bulk orders to reduce per-meter cost.

Verify certifications and corrosion resistance to ensure suitability for local environmental conditions. By considering these factors, you can estimate the total cost of Zn-Al-Mg cable trays in West Asia and plan procurement effectively.
