Price of cable tray flat support

Overview

Cable trays Cable trays Cable tray, angle 90, T-piece, wall bracket, crossing, top customer service, top prices and fast delivery at Ekabel24.de Cable Tray.

Key Takeaways

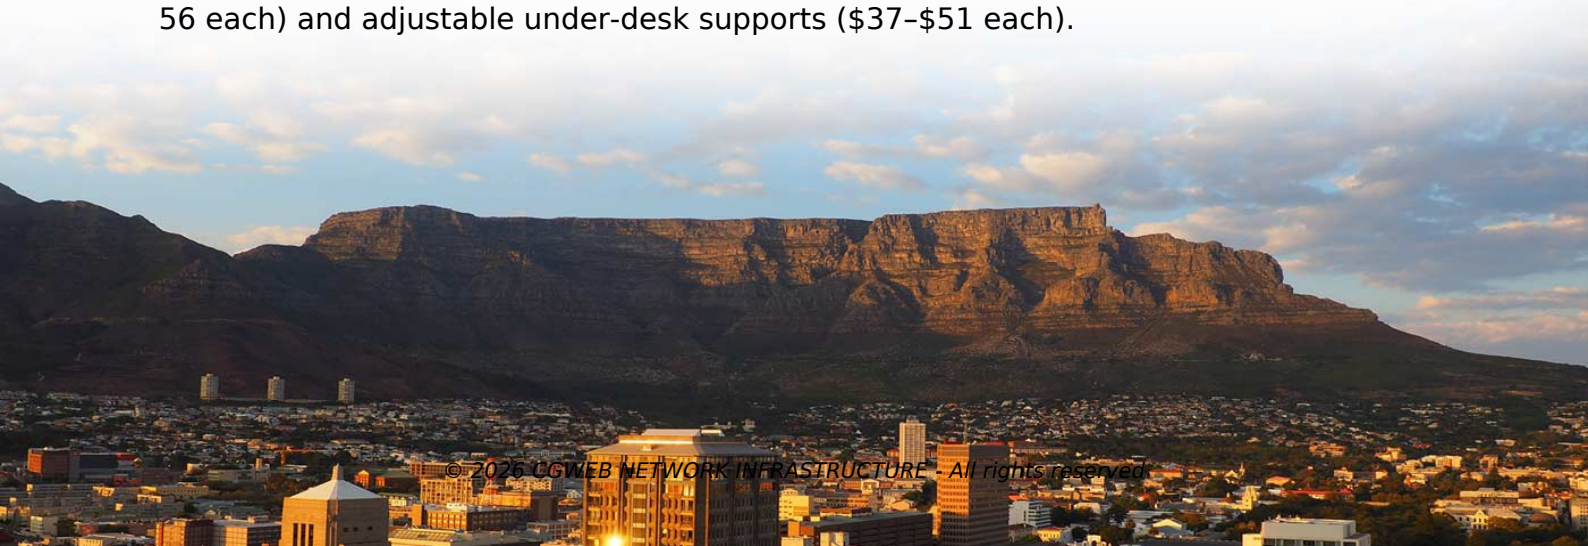

Cable tray flat supports typically range from $5 to $30 per piece, depending on size, material, and brand.

Overview of Pricing

Small or basic steel supports: Prices start around $5–$6 each for compact flat supports suitable for light-duty cable trays, such as the Cablofil 2-inch flat style support at Elliott Electric Supply ($5. 70 each) and similar items on Walmart ($15–$16 for small under-desk supports). Medium-length or heavier-duty supports: Supports in the 6–12 inch range generally cost $15–$25 each, such as Cablofil 6-inch steel supports ($15.

44 each) and 12-inch supports ($21. 54 each). Longer or industrial-grade supports: Larger or specialized supports, including center-hanging or adjustable flat supports, can range from $25–$30+ per piece, for example, 16-inch Cablofil steel supports ($29.

56 each) and adjustable under-desk supports ($37–$51 each).

Factors Affecting Price

Material: Steel supports are common and moderately priced, while stainless steel or powder-coated supports for corrosion resistance are more expensive. Length and Load Capacity: Longer supports or those designed for heavier cable loads cost more. Mounting Type: Wall-mounted, ceiling-mounted, or center-hanging supports may have different pricing due to design complexity.

Quantity: Bulk purchases often reduce the per-unit cost, especially for industrial projects.

Where to Buy

Amazon: Offers a wide range of wire tray supports for home or office use, with prices from $15–$50 depending on size and pack quantity. Platt Electric Supply: Industrial-grade supports, including trapeze and wall angle supports, range from $7 to $288 per box depending on type and quantity. Walmart: Under-desk and small steel supports are available from $15 to $50.

Elliott Electric Supply: Cablofil flat supports start at $5. 70 each, with larger or specialized supports priced higher. In summary, for standard flat cable tray supports, expect to pay $5–$30 per piece, with the exact price depending on size, material, and mounting type.

For bulk or industrial applications, contacting suppliers like Platt Electric or Elliott Electric may provide better pricing and availability.
