Price of new distribution box circuit breaker

Overview

Main Breaker: Replace your main breaker for between $500 and $2,000. Main Lug Panels: Installing this subpanel in place of your fuse box, also known as a downstream panel or secondary panel, costs $400. Circuit breaker boxes are the breaker panels that keep the lights on at your home or business. They host circuit breakers designed to safely distribute the correct amount of electricity to every room and outlet in your home. The Home. Check each product page for other buying options. At City Electric Supply, we offer a wide selection of breaker panels and load centers, breaker-ready enclosures, and main breaker kits for. However, costs can reach up to $4,500 when you factor in breaker box replacement, moving your electrical panel, or the expansion of your home's amperage.
