Recommended Manufacturers of DC Power Supply Units in the Philippines

Overview

Top Power Supply Manufacturers in Philippines Discover all relevant Power Supply Manufacturers in Philippines, including EP Solutions Philippines and MPowe.

Key Takeaways

Popular DC power supply brands in the Philippines include Max.

E

P Inc., MPower, Rockford Marketing Corporation, Fulrubell Corporation, Marshal Electrical, and Asianic Distributors. Key Brands and SuppliersMax.

E

P Inc. specializes in high-quality power supplies with advanced surge protection and patented waveform correction technology, ensuring clean and stable DC output for industrial and commercial applications.

M

Power provides a diverse portfolio of energy solutions, including DC power management services, focusing on reliability and efficiency for businesses. Rockford Marketing Corporation (RMC) offers DC power devices such as the T&J Orbik W8102LUSB, supporting 5V–12V DC output with overload, short-circuit, and overheat protection. Fulrubell Corporation is known for power products including DC power supplies, lithium-ion batteries, and generators, catering to both industrial and consumer needs.
