# Stainless Steel 201 Cable Tray Manufacturer

## Overview

201 Stainless Cable Tray-Jiangsu Huaxin Steel Co. LtdThe inner groove of the stainless steel bridge is made of glass fiber reinforced plastic and a variety.

## Key Takeaways

Leading manufacturers of 201 stainless steel cable trays include Jiangsu Huaxin Steel, Shandong Xuanlin Metal Materials, and various Alibaba-listed suppliers offering ladder-type and custom trays. Key Manufacturers and Their Offerings1. Jiangsu Huaxin Steel Co., Ltd.

Over 20 years in the steel industry with international trade experience. Produces stainless steel sheets, coils, pipes, bars, channels, angles, and cable trays. 201 stainless steel cable trays feature composite, double insulation, flame retardant, and fireproof coatings, with excellent heat dissipation and self-extinguishing properties.

Export-ready with standard seaworthy packing; delivery typically 3–20 days depending on order size. Quality assurance includes ISO certification, SGS verification, and Mill Test Certification, with in-house lab testing. 2.

Shandong Xuanlin Metal Materials Co., Ltd. Founded in 2008, covering 10,000 m² with over 30 production lines. Manufactures heavy-duty 201 stainless steel cable trays suitable for factories, supermarkets, cold storage, plazas, and villas.

Offers customized production and emphasizes light weight, corrosion resistance, and easy installation. Strong logistics advantage: proximity to highways, Jinan Airport, and Tianjin Port. Quality control through systematic testing with advanced equipment and long-term partnerships with domestic steel companies.

3. Alibaba-listed Suppliers (e.g., SHEN LIAN)Located in Dongguan, Guangdong Province, with factory access from Shenzhen Bao'an Airport. Offers ladder-type 201 stainless steel cable trays with side rail heights from 100 mm to 400 mm.

Supports custom designs and container mixing for first orders. Quality ensured via three-stage inspections and professional equipment. Suitable for managing cables, cable support, and cable laying in industrial and commercial projects.

Considerations When Choosing a ManufacturerProduct Type: Ladder, perforated, or wire mesh trays depending on installation needs. Customization: Ability to produce according to specific dimensions, load capacity, or design. Certifications: ISO, SGS, and Mill Test Certificates ensure material and production quality.

Delivery & Logistics: Proximity to ports or airports can reduce shipping time and cost. Export Experience: Manufacturers with international trade experience can handle customs and packaging requirements efficiently. These manufacturers provide a range of 201 stainless steel cable trays suitable for industrial, commercial, and construction applications, with options for customization, quality assurance, and global shipping.
