They serve the electrical and telecom sectors across Zambia and can advise on suitable products for your network needs. Online International SuppliersFS.com FS offers a wide selection of fiber optic pigtails, fully manufactured and tested to industrial standards. They provide single-mode and multimode options suitable for field splicing and network installations.

Fiberinthebox.com This online store provides a variety of fiber optic pigtails, including single-mode 9/125, multimode 62. 5/125, 50/125, and 10G OM3/OM4 types. They offer simplex and multi-fiber options (up to 48 fibers), fan-out kits, and armored pigtails for enhanced durability.

Products comply with Telcordia, EIA/TIA, and IEC standards.

Tips for Purchasing

Determine the fiber type: Single-mode (9/125) for long-distance or multimode (50/125, 62. 5/125) for shorter distances. Check fiber count: Choose simplex, 4-fiber, 6-fiber, or higher depending on your network requirements.

Consider durability: Armored pigtails are recommended for outdoor or high-traffic areas. Verify standards compliance: Ensure products meet Telcordia, IEC, or EIA/TIA standards for reliability. By contacting these suppliers, you can source fiber optic pigtails locally in Zambia or order internationally with shipping options to your location.
