# Which secondary distribution box is best in Pakistan

## Overview

Protect your electrical circuits and switchgear with the CNC Electric HA Waterproof DB Box — designed for durable, reliable, and safe housing of electrical components.

## Key Takeaways

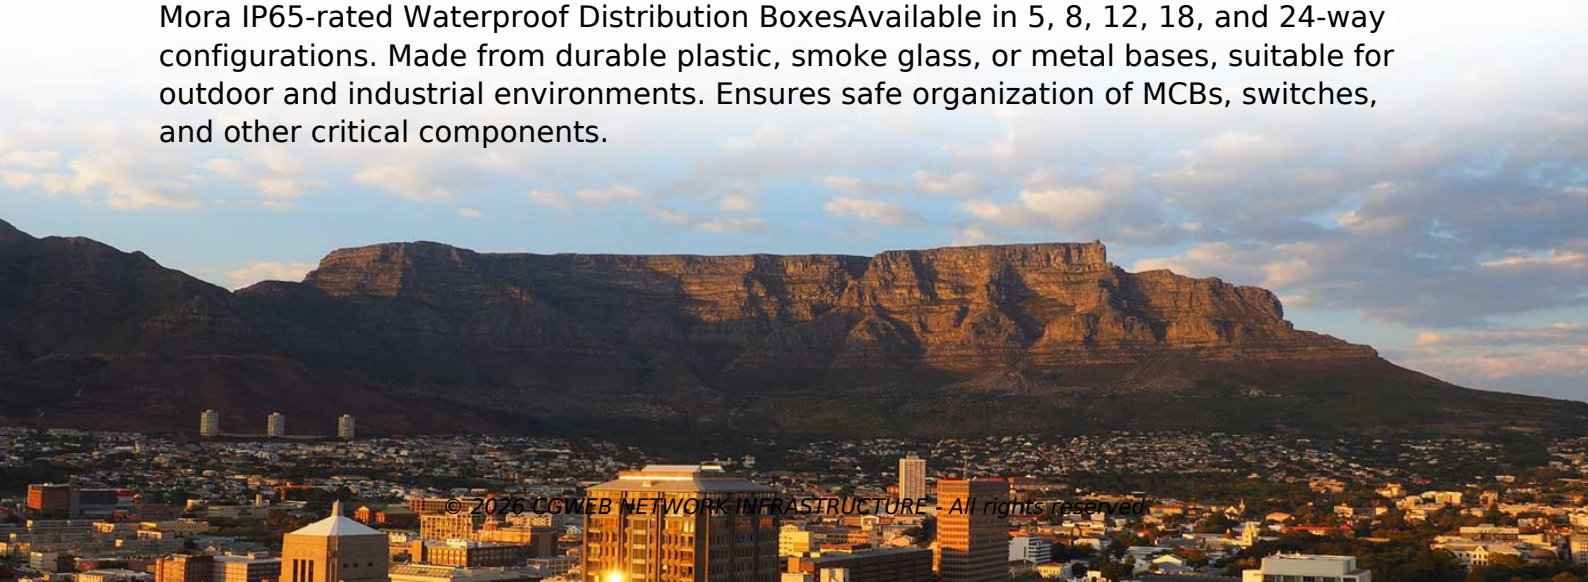

For reliable and safe electrical distribution in Pakistan, top choices include CNC Electric HA Waterproof DB Box, Clopal Distribution Boxes, and Mora IP65-rated waterproof boxes. Key RecommendationsCNC Electric HA Waterproof DB BoxDesigned for residential, commercial, and industrial applications. Offers maximum protection against water, dust, and environmental hazards.

Compliant with IEC-493-1 standards, ensuring safety and durability.

### Clopal Distribution Boxes

Available in 2-way to 22-way options, suitable for small to large setups. Ideal for solar systems and general electrical distribution. Offers both plastic and metal variants, with metal boxes providing higher durability for industrial use.

Mora IP65-rated Waterproof Distribution BoxesAvailable in 5, 8, 12, 18, and 24-way configurations. Made from durable plastic, smoke glass, or metal bases, suitable for outdoor and industrial environments. Ensures safe organization of MCBs, switches, and other critical components.

### Features to Consider

Material: Plastic/fiber boxes are lightweight and corrosion-resistant, while metal boxes offer higher impact resistance and durability.

I

P Rating: IP65-rated boxes provide waterproof and dustproof protection, essential for outdoor or humid environments. Circuit Capacity: Choose a box with enough ways (2–24) to accommodate all circuits, including dedicated breakers for heavy appliances. Safety Devices: Ensure the box supports MCBs, RCCBs, and dedicated AC/appliance breakers for overload and leakage protection.

Installation Type: Surface-mounted boxes are easier to install, while flush-mounted boxes offer a cleaner aesthetic.

### Conclusion

For residential use, compact plastic boxes like Clopal 4-way or 2-way are sufficient. For industrial or outdoor applications, Mora IP65 or CNC HA Waterproof DB Boxes are recommended due to their robust construction and environmental protection. Always ensure the box is compatible with your load requirements and safety devices to maximize protection and longevity.
